Dear Sir or Madam,

Thank you for supporting our mission to end blindness with your gift of \$10,000 on 06/30/2021. Your generosity makes an important difference in advancing the research that will lead to new treatments and cures.

We rely on you and our other generous donors to ensure that rapid research progress continues, and that in the very near future, we will be able to say that together we have saved the vision of millions of people here in the U.S. and around the world.

The Foundation Fighting Blindness is a 501(c)(3) organization. In accordance with IRS regulations, no goods or services were provided in return for this contribution. Your contribution is tax deductible to the extent allowed by law.

Thank you for believing as we do that a cure will be found in our lifetime!

My sincere appreciation,

Nancy Davenport
