Dear Mr. Lewis:

Wow – what a difference you’re making for the Storm Eye Institute at the Medical University of South Carolina! Thank you for your generous contribution to the SC Lions Eye Research fund. Your contribution is a crucial step in helping us change what’s possible in health care.

Our campus is buzzing with excitement and it’s all thanks to our generous donors like you. You are literally changing lives, and we couldn’t be more grateful for your partnership.

On behalf of the patients, students and communities we serve, it is an honor to thank you for your support.

Gratefully yours,
